MOTION

WE MOVE that City Council has already unanimously passed a Resolution in opposition to the
* currently-proposed Duke Energy Central Corridor Pipeline due to its potential harmful impacts on public safety, neighborhood quality of life, environmental conditions, and property values;

WE MOVE that City Council has already unanimously passed a Motion directing the City Administration to file an intervention with Ohio's Power Siting Board in opposition to the Central Corridor Pipeline;

WE MOVE that in light of Duke Energy's recent request to obtain a waiver to the requirement that it provide customers with an in-person notice before disconnecting service, that the City Administration also file an intervention with the Public Utilities Commission of Ohio against Duke's waiver request;

WE MOVE that in order to advance the City's positions relative to both of these matters with Duke, and to do so with the necessary legal team and expertise, \$90,000 be used from the 2016 surplus to retain appropriate counsel, as deemed by the City Law Department.

*Amended on the floor of the Committee attached.
